

On Your Side INTERACTIVE **RETIREMENT PLANNER**SM

You always have time to review your retirement

In 10 minutes, the *On Your Side* Interactive Retirement PlannerSM will help you:

- Set a retirement goal
- Track your progress
- Review options for improving your retirement outlook
- Model different investment savings and retirement scenarios
- Save a PDF file of the information to share with others

How the *On Your Side* Interactive Retirement PlannerSM works

Access the Interactive Retirement Planner at nationwide.com/retirementplanner

Follow the prompts to:

- **Set your retirement goal**
Enter age, current salary, retirement age and the anticipated number of years in retirement. This information will provide a potential goal for the amount of retirement savings needed.
- **Track your progress**
Enter current retirement plan balance, amount of contributions, company match, other investments such as an IRA account and predicted Social Security payments.
- **Review your options**
The tool will illustrate if you're on track to meet your retirement goal. A dynamic digital slide ruler will allow you to adjust your contribution rate and the number of years to your retirement. You'll also see how adjustments will impact your paycheck.
